- Please come to class prepared each day with pencils, notebook, red or purple pen, textbook, and any homework or other assignments due. Organization is one key to being a successful student, so being prepared for each class period will be very important.
- Homework is due at the beginning of the class period on the due date. Work turned in late will be penalized 20%. Unfinished or illegible/barely legible assignments will not be accepted. If there is a special circumstance, please let me know right away so I can consider waiving the late work penalty, if appropriate. Work missed for sick days may be made up for full credit, but it is the student's responsibility to check on missed work.
- Grades are calculated with weighted scores: Daily Work-40%, Tests/Projects-60%
- Grades will be posted on [Information Now](#) regularly.
- Information about assignments and other class-related issues will be posted regularly on my website, martinclassroom.com.

If you have a question about an assignment or any class issue, please do not hesitate to stop by my classroom or office in Room B-176. After hours, I can be reached through my email: perry@andrews.edu. I check my email regularly, and will respond as promptly as I am able.

It is my prayer that each student in my classroom is successful in his or her studies. I am looking forward to working with you during this school year!
