

7th Social Studies Miniproject

Make a PowerPoint presentation, Google Slide presentation or a Prezi about a US state, Canadian province, or Canadian territory of your choice.

A total of 5 slides should be included:

- **Geography**
 - Major landforms
 - Major bodies of water
- **Climate**
- **Population**
 - What is the total population?
 - Is the population even or is it very dense in some places?
 - What major ethnic/religious groups make up the population?
- **Industry**
 - What are the major industries of the area?
- **Bibliography**
 - Cite all sources using easybib.com to help you.

Miniprojects are due on Thursday, January 15 ***before class begins.***
